South Forsyth's Majors Mill Crossing Opens Phase II

Homes By Brumby and Lowe Properties are pleased to announce the opening of phase two at Majors Mill Crossing. Conveniently located 1.5 miles from GA 400 in South Forsyth County, the two builders have fine tuned their twelve home plans. Phase two will offer the first basement homesites in the community. Major's Mill Crossing offers a wide variety of home choices in this new low maintenance lifestyle community. The exterior features include neighbor friendly front porches leading to pedestrian sidewalks. Stone, shake, Hardi-plank and brick exteriors complete with carriage-style garage doors make each home unique.

Interiors are loaded with many upgrades including: gourmet kitchens, detailed molding and trim and upscale flooring. Each home also includes a professionally designed and expertly manicured lawn, which will be maintained by the homeowners association. The second phase will feature 61 homes, and residents will enjoy the members club and pool—now open.

Two decorator models are open daily, and several field models are ready for immediate delivery. Home prices start from the high \$200s to the \$300s. Children will attend South Forsyth High School, South Forsyth Middle School and Piney Brook Elementary School. The Keller Williams Realty Around Atlanta sales associates are Brenda Boyd and Mary Greer. They can be reached at 678.965.5774, email: majorsmillcrossing@bellsouth.net.

Major's Mill Crossing information center is located at 8305 Village School Drive, Cumming, Georgia 30041. Directions: Take GA 400N to exit 13, travel east on Hwy. 141, and turn right on Ronald Reagan Pkwy. Turn left on Majors road and the entry is on the right.
